

**To The Resident****New Footpath – Emma Place, Beerwah****Project summary**

Sunshine Coast Council will be improving connectivity with a new footpath along the worn track at Caralan Way Park, Beerwah.

The new footpath will span approximately 180 metres from Emma Place along the existing dirt pathway alignment.

No trees will be removed or impacted for this new footpath.

Please refer to the location of works in figure 1 overleaf.

**Start date**

Works are expected to start Monday 25 September 2023 and be finished within a week, weather and site conditions permitting.

**Property access and parking**

Property access should not be affected during works. However, if the contractor does require access, then property owners will be notified in advance.

Thank you for your patience while we deliver these necessary works to improve safety and connection.

**Further information**

For further information about this project please contact council's project officer, Francisco Zaldivar de Alba on the details below (stating project K5466 Emma Place into Caralan Way Park).

**A note from your local councillor**

The construction of this connection between popular pathways will improve accessibility, which will assist more members of our community to move through and utilise our beautiful green spaces. Every improvement to our pathway network helps and it's wonderful to see more and more people using them.
