

To the Resident**Stormwater Pit Upgrades – Parsons Street, Nambour****Project summary**

Sunshine Coast Council is committed to maintaining our infrastructure across the region.

As part of this year's stormwater renewal program, council is replacing two stormwater pits in the easement behind Parsons Street, Nambour.

Please refer to figure 1 overleaf.

Start date

Work is scheduled to start the week beginning Monday 4 September 2023.

Construction is expected to be completed within two weeks, weather and site conditions permitting.

Work will occur between 7am and 5pm on weekdays.

Property access and parking

During works, access to properties will be maintained and there will be no disruption to on street parking.

Thank you for your patience while we deliver the renewal works.

Further information

For further information about this project, please contact council's project officer Clint Jones via the details below (please quote project number K4387).

**A note from your local councillor**

I am pleased to see these stormwater pits being upgraded as part of Council's commitment to maintaining our infrastructure.

The new pits will have a minimum service life of 50 years and will increase the capacity of the local stormwater network.

We appreciate your patience and respect towards the workers whilst they carry out these essential works.
