

To The Resident**Stormwater Pit Upgrades – Hagen Place, Bli Bli****Project summary**

Sunshine Coast Council is committed to maintaining our infrastructure across the region.

As part of this year's Stormwater Renewal Program, council is replacing two stormwater pits on Hagen Place, Bli Bli.

Please refer to figure 1 overleaf.

Start date

Work is scheduled to start Monday 4 September 2023. Construction is expected to be completed within one week, weather and site conditions permitting.

Work will occur between 7am and 5pm on weekdays.

Property access and parking

During works, access to properties will be maintained, however there will be a temporary loss to on-street parking to facilitate construction.

Traffic management

To ensure the safety of all road users, traffic management measures will be in place throughout the project, including temporary construction fencing and staffed traffic control.

Your patience during construction is appreciated.

Further information

For further information about this project, please contact council's project officer Clint Jones via the details below (please quote project number K4387).

**A note from your local councillor**

Stormwater infrastructure is Council's largest asset to maintain. While, stormwater pipes and pits are typically hidden, they are vitally important when managing water runoff. Council acknowledges there may be some inconvenience to your daily activities and we appreciate your patience and support.
