

It's Horizon Season

ArtsCoast Newsletter - August 2022

Hopefully this email finds you well etc. It seems like every other day something is going on at the moment and we're loving every second of it. The Project 24 artists in residence have been selected launching with [Sharka Bosakova](#) and a Horizon Festival takeover. The "Pather's", as I've dubbed them have begun their journey with Kellie O'Dempsey at the helm. We'll also be hosting Orlando Mee at 2nd Space in September and there's still an opportunity to get involved in this huge project. Of course the elephant in the room is Horizon Festival, ten days of art across the Sunshine Coast which we can't wait to see unfold.
