

The Resident

Walking Trail Install – Doonan Creek Environmental Reserve

Project summary

Sunshine Coast Council will soon be undertaking the construction of a walking trail as part of the Doonan Creek Environmental Reserve Landscape Plan.

Stage 1 works include the renewal and installation of a gravel trail, pedestrian pathway and boardwalk, totalling approximately 590 metres.

Please refer to location of works on the map overleaf.

Start date

Works are scheduled to start late August and be completed by October 2023, weather and site conditions permitting.

Traffic and pedestrian access

There will be no traffic or pedestrian access to the site or carpark during installation.

The Secret Oasis tree planting event will be held at the end of October, which will be accommodated by the contractor.

Thank you for your patience while we deliver improved connections in this reserve.

Further information

Contact the Council's project officer Kobi Burnett on the details below (please quote K3236 Doonan Creek environmental reserve landscape works stage 1)

A note from your local councillor

This trail will provide a defined entry point for visitors to Doonan Creek Environmental Reserve and will be more suitable for pedestrian access.
