

Please share your thoughts on the draft landscape concept plan for the new park.

Comments

Please attach additional pages to the project newsletter if necessary. Please return in the reply paid envelope.

How would you like to see the park take shape over time?

Council will use the landscape concept plan to apply for funding from various sources and agencies. The development of the park will occur over many years. The rate and extent of implementation is subject to the amount of funding available each year.

Please indicate the order in which you would like to see the park components implemented.

One (1) being the first park component that you think should be implemented and fifteen (15) being the final park component that you think should be implemented.

1st - 15th	Park components:	1st - 15th	Park components:
	Arrival plaza		Viewing terraces
	Footpath & planting along King St		Minor viewing areas
	Village green and Vegetated slope		Children's play area
	Internal paths and planting		Revegetation & weed management
	Vegetated buffer to neighbouring site		Village Square
	Streetscape & shared zone to Church St		Multi-functional stage / Community space
	Additional car parking area to Church St		Amenities
	BBQ areas		

Submissions Close: Friday 26 August at 5pm

Buderim's New District-Level Recreation Park

Now it's time to have your say!

You Shared Your Ideas

In late 2010, the Buderim and wider community were invited to share ideas and shape the vision for Buderim's new district-level recreation park, located on the corner of Church and King Streets, Buderim. Visionary themes included:

"An inspiring community jewel of highest international standard - for locals to be proud of and visitors to admire."

"It should remain a beautiful open space with opportunity for peace and activity."

"Regional playground, family meeting space, peaceful, walks."

"Development which is complimentary to culture centres adjacent to the site, a cultural precinct with some green space and public art."

Landscape Concept Plan

Council has carefully evaluated the submissions and is pleased to present the draft Landscape Concept Plan for comment.

The park design aims to convey and encapsulate the visionary themes and aspirations that emerged from the initial consultation.

Share your thoughts

Council invites you to provide comment on the draft Landscape Concept Plan. Your comments and feedback will ensure that the final outcome is reflective of the community's needs and aspirations.

Meet on the Street

Residents are welcome to view the concept plan and speak with council at the "Meet on the Street" drop-in session.

WHERE: Burnett Street, Buderim, outside NAB bank

WHEN: Saturday 13 August 2011

TIME: 9am - Midday

The concept plan and project news are also on display at the Old Post Office until Friday 26 August 2011.

Spread the word....

The draft Landscape Concept Plan is featured on council's website. Let your friends and neighbours know that the concept plan is available for download, review and comment.

What happens next?

Council will finalise the landscape concept plan and develop a staging plan, based on the comments and priorities identified by the community.

During the 11/12 financial year, detailed design and construction documentation phases will be carried out. This will enable the project to be equipped and ready for the first stage of construction, as and when funding becomes available.

Further information

Should you have further enquiries regarding this project, please contact council's project officer on 5475 7272.

A note from your local Councillors

We are very keen to see the Buderim Village Park Master Plan materialise into an open space that the local community can enjoy and be proud of. To achieve the best possible result we need your input.

Please take the opportunity to shape the look and feel of Buderim Village Park by giving us your feedback. We look forward to hearing from you.
