

To The Resident

Stormwater Pit Upgrade – Grandview Drive, Coolum Beach

Project summary

Sunshine Coast Council is committed to maintaining our infrastructure across the region.

As part of this year's Stormwater Renewal Program, council is replacing one stormwater pit on Grandview Drive, Coolum Beach.

Please refer to figure 1 overleaf.

Start date

Work is scheduled to start Wednesday 22 February 2023. Construction is expected to be completed within one week, weather and site conditions permitting.

Work will occur between 7am and 5pm on weekdays.

Property access and parking

During works, access to properties will be maintained, however there will be a temporary loss to on-street parking to facilitate construction.

Traffic management

To ensure the safety of all road users, traffic management measures will be in place throughout the project, including temporary construction fencing and staffed traffic control.

Your patience during construction is appreciated.

Further information

For further information about this project, please contact council's project officer Clint Jones via the details below (please quote project number K4187).

A note from your local councillor

Stormwater infrastructure is one of Council's largest and most vital assets. This upgrade is required to replace stormwater infrastructure that is at the end of its useful life and the new assets will provide another 50 years of use. We appreciate your understanding and patience during construction.

Cr Maria Suarez
