### Introduction

Council's Corporate Plan 2021-2025 provides the goal that "Our communities are connected and thriving places where people are included, treated with respect and opportunities are available for all".

The Sunshine Coast Community Strategy 2019-2041 identifies that we are committed to reconciliation and social and economic opportunities for the Aboriginal and Torres Strait Islander community as demonstrated through our Reconciliation Action Plan.

Council's Reconciliation Action Plan 2021-2022 (RAP) commits to work in partnership with the Traditional Custodians and the broader First Nations (Aboriginal and Torres Strait Islander) community to support self-determination through economic and community development. In addition, the RAP commits to increase First Nations supplier diversity to support improved economic and social outcomes.

Further, the Regional Economic Development Strategy 2013-2033 seeks to ensure the region realises its full potential – with a confident future and as an active participant in the global economy which will afford greater stability to the regional economy in terms of a broader industry and investment base.

Council recognises the inherent benefits in contracting with First Nations suppliers or supply chains for the provision of goods and services.

The purpose of this First Nations (Aboriginal and Torres Strait Islander) Procurement Guideline ("First Nations Procurement Guideline") is to outline Council's framework to increase procurement from First Nations suppliers and supply chains .

## **Guideline details**

This guideline applies to any Contracting Activities for the provision of goods and services undertaken by Council. Applying this guideline will:

- Develop a competitive First Nations business and industry both locally and regionally;
- Create new business and commercial opportunities for First Nations suppliers, and supporting the existing First Nations business and commercial base;
- Maintain the existing First Nations local employment base while creating new local employment opportunities;
- Support First Nations supply chains by incentivising all Council suppliers to sub-contract with, or procure goods and services from, First Nations suppliers; and
- Diversify economic growth contributing to community prosperity.

#### **Application to Procurement Processes**

Council will incentivise the development of a competitive First Nations business and industry by facilitating a preference for First Nations businesses and supply chains in its Contracting Activities.

The preference for First Nations business and industry engagement to be applied to Contracting Activities is as follows:

- 1. Conducting a restricted procurement process where capable First Nations businesses have been identified; or
- 2. Identifying Contracting Activities where the Contract will require a supplier to reach a specific target relating to the employment and/or training of local First Nations people in the delivery of the services under the Contract; or
- 3. Inviting and assessing Tenders and Quotes from suppliers as set out in the Table 1 below.

Contract Value	Procurement process	First Nations Businesses to be invited
\$0 - \$25,000	One quote required	If a First Nations Supplier with a local presence is identified through the Black Business Finder (or other approved registers that identify First Nations Businesses) who provide the goods or services required then they must be invited to Quote.
\$25,000 - \$250,000	Request for Quote processes for inviting three quotes	If any First Nations Businesses is able to be identified through the Black Business Finder (or other approved registers that identify First Nations Businesses) who provide the goods or services required then they must be invited to Quote. Evaluation criterion for First Nations business contracting will receive weighting up to 20%
\$250,000 and above	Public Tender	Evaluation criterion for First Nations business contracting will receive a weighting up to 20%

#### Table 1:

#### Forming Supplier Arrangements

Council creates Supplier Arrangements by conducting a Public Tender.

When conducting a Public Tender to create a Supplier Arrangement, Council will, at a minimum, consider the Social and Economic Factors including the evaluation criterion for First Nations engagement in contracting. Council may, in appropriate circumstances, consider and apply other strategies in those Tenders to support or drive greater First Nations engagement.

#### Tender and Request for Quote - Evaluation of contracting opportunities

When Council undertakes a Contracting Activity where responses are to be evaluated against predetermined evaluation criteria then the evaluation criterion of First Nations engagement in contracting must be included and evaluated.

The criterion will be evaluated having regard to the business of the Respondent and the Respondent's explanation of the contribution to First Nations engagement in contracting. When considering that contribution the following must be evaluated:

- Whether the Supplier is a First Nations Business;
- Whether the Supplier's First Nations people employment rate exceeds 25%;
- Whether the Supplier is engaging in its supply chain, a First Nations Business.

Evaluation of each submission will consider the above information and scoring will be applied as follows:

Evaluation information	Scoring:	% Score	Overall weighting
Supplier that is a First Nations Business	5/5	100%	
Supplier that is not a First Nations Business that demonstrates that they are engaging First Nations Business/es in their supply chain, employ more than 25% First Nations people or are employing at least one additional First Nations person in the delivery of the contract	5/5	100%	Up to 20%
Non-First Nations Business that is not engaging First Nations Business in their supply chain	0/5	0%	

#### Genuine reason not to follow this guideline

Council acknowledges there will be occasions when the requirements of this guideline cannot be followed, either because it is not possible to comply due to the nature of the procurement, or it is not in the best interests for achieving the most advantageous outcome.

A genuine reason not to comply with the guideline will exist where there is a First Nations Business availability, but because of the size, complexity or timing of the goods and/or services required, it is not in the interests of achieving the most advantageous outcome to invite the First Nations Business/es.

Where there is a genuine reason that the requirements of this guideline cannot be met then certain Council Officers may approve a departure from it.

A Council Officer at the level of Co-ordinator (L4 or equivalent position) may approve departure from this guideline when a genuine reason exists and the contract value is within that Council Officer's delegated authority for creating the contract. All other departures from this guideline must be approved by a Manager (L3).

All departures from this guideline are to be reported to the Manager Business and Innovation with reporting available to the Executive Leadership Team (ELT) and/or members of ELT.
