Create welcoming comfort with iconic styling.

From big, open areas to more intimate settings, Reno has the uncanny ability to anchor a space or blend beautifully with its setting. Reno’s breadth of line extends from single seat lounge up to three seat, all with coordinating benches that can double as ottomans. Add side tables to the mix, and Reno truly offers it all. Tailor Reno to fit your style and space by choosing between statement making wood arms, lush upholstered arms, or armless options. Select wood or metal legs to complete the look. Reno’s versatility and comfort merge beautifully to create an ideal solution.
