

# VU Reading Lists

Een korte gids voor studenten

Docenten kunnen VU Reading Lists gebruiken om studenten eenvoudig en eenduidig een overzicht te geven van de benodigde literatuur in de cursus. Indien er online toegang is tot de literatuur, geeft de applicatie snel toegang.

Ook kan je als student makkelijk zien of literatuur beschikbaar is in de bibliotheek. Hieronder zie je hoe het eruit ziet in Canvas.

The screenshot displays the Canvas LMS interface for a course titled 'Talis Aspire - reading lists'. On the left is a dark navigation sidebar with icons for Home, Account, Dashboard, Courses, Calendar, Inbox, History, Commons, Help me!, and a back arrow. The main content area has a breadcrumb 'VU > Talis Aspire - reading lists' and a top navigation bar with filters: 'Table of Contents', 'Type: All', 'Filter: All', and 'Citation Style: None', along with a search box. The page content includes a notice: 'Please note this is a fictional text.' followed by a paragraph about football. Below this is a section titled 'Required literature for students.' with a welcome message. A list of required readings follows:

Book - by John Brewin - 2021 - Required reading
