*In lieu of the OMPT-E exam, the OMPT-A exam minimum score 65% or OMPT-B minimum score 60% can also be accepted. Please contact [your International Student Advisor\(s\)](#) (if you are applying with a non-Dutch diploma) or the [Student Desk](#) in case of any questions. We advise you to consult the learning assessments available on the [OMPT website](#) first before selecting the type of test you would like to take. You can find these on the website under Test takers > Test > *select the type of OMPT test*.

Have you obtained the minimum required score? Then you can send your digital certificate from the test centre via email to your [International Student Advisor](#) or the [Student Desk](#) so we can verify your scores online.
