23-step Certified Pre-owned

All our Certified Pre-Owned equipment has passed our rigorous 23-step certification process to give you the assurance you need to buy with confidence.

This includes electrical and functional tests, full refurbishment, configuration and customisation to your requirements. Your equipment will be delivered quickly, fully calibrated and with a one-year warranty.

- 1-3 Electrical and Functional Tests
- 4-5 Product and Unit Validation
- 6-11 Refurbishment
- 12-15 Configure and Calibrate
- 16-17 Customise for Destination
- 18-20 Sealing and Packing
- 21-23 Investment Protection

Note: Some Keysight Technologies units may be badged as Agilent Technologies.

* Prices & availability are subject to change and exclude shipping, VAT or sales tax. Any listed savings are based on the full list price of new instruments and are indicative depending on date of list; actual savings may vary based on option(s), configuration, currency exchange rates, and other factors. Warranty may vary by category or specific available product. All terms to be confirmed by full written quote or available to review before buying online.
