

CERTIFIED PRE-OWNED

Rest Assured with Our 23-Step Certification Process

With Certified Pre-Owned (CPO) from Electro Rent, you can rest assured that your equipment has been quality tested. We back it up with a comprehensive, one-year warranty and a 14-day, no-questions-asked return policy. Our 23-step quality inspection process ensures that all CPO equipment is returned to factory specifications and ready for operation on day one.

We offer carefully selected instruments, including former rental units that have been maintained throughout their life and quality equipment sourced from blue-chip companies whose test assets we manage.

Quality Tested Equipment at Considerable Savings

- **High Availability** – thousands of instruments ready to ship
- **Quality** – a rigorous 23-point inspection process provides peace of mind
- **Reassurance** – a 12-month warranty and 14-day return policy is included
- **Speed** – immediate delivery to more than 150 countries
- **High Standards** – we can calibrate to ANSI Z540 & ISO 17025

Ask about our flexible financing, rental and leasing programs as well as our extended manufacturer service plans on selected instruments.

For quality Certified Pre-Owned equipment at significant savings, call +34 91 076 21 90 or visit electrorent.com to see the full range of products.

With a one-year warranty and 14-day return policy, Certified Pre-Owned equipment means quality equipment at considerable savings.
