

**PRICE:** \$15 CA | \$13 US

**DIMENSIONS:** 4¾" x 2½" (12.5 X 6.5 cm)

#### FEATURES & BENEFITS

Make burgers, sliders or stuffed burgers in minutes.

Compact design allows for easy storage.

Components separate for easy burger preparation and removal as well as easy cleaning.

Stack components together for easy, compact storage.

Made of durable ABS plastic.

#### CARE & USE

Dishwasher safe; for best results, separate components before washing.

#### RECIPE IDEAS

- Use your favourite prepared Epicure dip as stuffing for your burger and create your new go-to burger recipe.
- Stuff burgers with goat cheese, grated cheddar or crumbled feta or blue cheese.
- Make big batches, wrap individually, and freeze for an easy meal later.
- Use beans or lentils to make veggie burgers.

#### TASTING TIP

Use to prep burger patties for Summer Strong Virtual Cooking Class. Find more Information on [myepicure.com/epicure\\_university/product\\_information](http://myepicure.com/epicure_university/product_information).
