Mathematics Products sold by Duke University Press

Duke University Press (DUP) has been publishing mathematics scholarship for over 80 years. Our four mathematics journals are recognized as leaders in mathematical research. In addition to our own journals, we also operate the Project Euclid platform and sell the Euclid Prime Collection on behalf of our global partners. This collection offers a broad array of high-quality mathematics and statistics journals from a variety of different publishers.

Features

- DRM-free access and printing
- Unlimited multiuser access
- No ongoing maintenance fees
- COUNTER-compliant usage statistics
- Project Euclid platform designed with the MathJax engine for optimal display of mathematical formulas

Duke Mathematical Journal   18 issues per year

Complete your holdings by purchasing perpetual access:

- *DMJ100* contains the first 100 volumes of *DMJ*, published 1935–1999
- Perpetual access to back volumes published 2000–2023 also available

Other Mathematics Journals published by DUP

- *Illinois Journal of Mathematics*
- *Kyoto Journal of Mathematics*
- *Notre Dame Journal of Formal Logic*

Partnerships

- **Euclid Prime:** A collection of 31 high-impact, peer-reviewed journals in theoretical and applied mathematics and statistics hosted by Project Euclid. The Euclid Prime Collection also includes term access to back content from 18 additional titles.
